**HOME SWEET HOME** Jennie Garth and Brooke Shields love MiGi's Sweet line of nursery accessories. Shields outfitted 1-year-old daughter Grier's nursery with the crib bedding, but the collection also includes a lamp and mobile. Good news for those with sons: A boys' line is on the way (bedding, \$180, lamp, \$40, and mobile, \$40; [target.com](http://target.com)).
