

Update

Sent With Style

Sharing the news of your baby's birth is an exciting moment for parents, and now you can spread the word fashionably with personalized birth announcements from **MiGi Style**. MiGi Stationery, in collaboration with Tiny Prints, offers a wide selection of baby announcements in tons of colors and tasteful designs, all printed on high-quality paper. The notes can be personalized to include a photo and baby's name, birth date, weight and other details. Log onto www.migistyle.com to learn more about these customized stationery items.
