Target "Splash" Boys' Crib Bedding

I registered at Target because I L-O-V-E Target! This stylish "Splash" crib bedding by MiGi is one of the reasons why! Looks a lot like some expensive designer bedding for much less! The 6 piece set includes a luxurious 200-thread-count comforter, fitted sheet, bumper, diaper stacker, window valance and crib skirt - all for \$179.99. Also love the cute mobile.
