Anne Heche has offered some blue clues of the gender of her baby.

At the Boom Boom Room's Children's Gifting Wonderland in Los Angeles on January 9, the actress and her boyfriend James Tupper chose a pair of **Robeez Guitar leather booties** in pastel blue, a dozen blue **Happy Heinys reusable diapers** and a blue **MiGi baby blanket**.

"She told people she was having a boy," says a source about the actress, 39, who is also a mom to Homer, 6, from a previous marriage. "They were so excited to be picking out things for a little boy."

The couple met on the set of ABC's *Men in Trees* and **began dating** in 2007. They announced they **were expecting** in December.
