

4 Greens to Envy

By the MiGi Girls

Tuck rosemary, oregano, endive and kale between heads of leafy cabbage, lettuce and radicchio. Try your own combinations to match your mood or menu.

5 Can It

By Matt and Ted Lee

Choose retro-looking cans from your local market, empty them, then fill with small bunches of flowers.

6 Simple Pleasure

By Jonathan Adler

This centerpiece involves nothing more than bowls and vases (use what you have), a piece of foliage, green apples and walnuts. Organize as you wish—try symmetry (two vases, one bowl) or a random cluster.

tip

Buy foods in cans that look good together, then cook up something great with the contents.
